LIBERTY ZONE SUPPORT NOTICE:

Support for creating	County as a
"Liberty Zone" to protect the ur	nalienable rights of
We the People	•

We, the undersigned, do hereby declare our support for creating	County
as a "Liberty Zone" which will support and Defend the organic Constitutions for We th	e People
against all enemies, both foreign and domestic, that would seek to encroach upon our	
unalienable Rights including, but not limited to, the Bill of Rights of both the United Sta	ites
Constitution and our State Constitution.	

This includes any Federal, State or Local encroachment on said rights including any infringement of the <u>right to keep and bear arms</u>, and the <u>NDAA (National Defense Authorization Act)</u> attempting to allow indefinite incarceration of American Citizens without due process or charges, or any other alleged "law" which subverts the standing Constitutions.

We stand with all those defending our rights and encourage our public servants to adopt resolutions and ordinances defending the Constitutions and **Nullifying Unconstitutional Laws**.
