RE: OPEN RECORDS REQUEST

Dear Mr. Risberg,

Under the Colorado Open Records Law § 24-72-201 to 24-72-309 (et seq.), I am requesting documents regarding the Grand Jury for District 6, including Foreperson's name and contact information, and all relevant information, including procedures for the public accessing the Grand Jury with criminal complaints, which is the People's right under Supreme Court case U.S. v Williams.

If these documents and information are available for public viewing in Archuleta County, please notify me where these are and when I may review and copy them. If not, please provide copies of said documents and information requested within the allotted time limits.

Thank you for your response.
